To Valuable Customers and Partners

Chuo Denshi Kogyo CO., Ltd.
President & CEO
Beji Sasaki

Affiliated to Freesia Group

We are very pleased to announce that CDK has been affiliated to Freesia Group (Head office: 17 Kanda Higashi Matsushita-cho, Chiyoda-ku, Tokyo, Chairman and Representative Director Beji Sasaki) on February 15th 2019.

Freesia Group is composed of 7 public companies and over 50 private companies. Freesia Group has developed all-around manufacturing business (such as sheet-metal processing, plastic extruder, copper-clad laminate (CCL), prepreg (PP), printed circuit board (PCB) and machines for tear-one customers), housing & construction business, distribution service business and business group management.

CDK is willing to expand and deepen the synergy between Freesia Groups' high-tech and low-tech and to support all our customers.

We are excited to continue serving you, as one of Freesia group companies. Please accept our sincere gratitude for your continuous support. And best wishes in your future business endeavors.
